Our Company Journey

Founded in 2022, NORCAL Compassionate Senior Care (NCC Senior Care) began with a vision to transform the caregiving industry by providing Nurturing Compassionate Care to those individuals requiring support, whether related to aging process, illness, or disability.

Our story started when as a family, from our humble beginnings about Empowering the Community. By giving back, we strive to uplift our local area, offering opportunities and support to those seeking employment. Our commitment to 'paying it forward' means actively helping individuals build fulfilling careers and achieve economic stability through meaningful work.

We understand the challenges of joblessness because we've been there once ourselves. Had faced similar struggles, we are deeply dedicated to fostering stable and rewarding careers, providing our caregivers with continuous support and growth opportunities to ensure their professional development and job security.

Just as a lamp is place on a stand to give light to every in the house, let our actions and character brings positive impact to others. When people see our good works, through NORCAL Compassionate Senior Care (NCC Senior Care), they will recognize and honor God.
